

Former Tronox/Kerr-McGee Wood Treatment Facility
Madison, Illinois

Drop-in Information Session

Tuesday, April 30, 2024

1:00 – 6:00 p.m.

**Eagle Park Improvement Association
90 Hill Street, Madison**

Join us to learn about our environmental investigations at and around the Facility in Madison. Drop by to speak with project representatives and ask questions. Food will be provided.

Hosted by the Multistate Environmental Response Trust (Multistate Trust), in coordination with the Illinois Environmental Protection Agency (Illinois EPA)

Contact us for more information

Multistate Trust: Tasha Lewis
TL@g-etg.com, (602) 312-6993

Illinois EPA: Sabrina Bailey
Sabrina.Bailey@illinois.gov, (312) 832-2162

The Facility is located at 2 Washington Avenue in Madison. The Multistate Trust has been working with Illinois EPA to investigate environmental contamination at and around the Facility and determine how to best implement remedial measures. The Multistate Trust was created as part of the Tronox bankruptcy in 2011 to own, manage, remediate, and facilitate safe reuse of the Facility and hundreds of other sites.
